

Therapeutic
Riding Program

SUMMER CAMP 2018

DATE: August 1st, 2nd and 3rd, 2018
TIME: 8:30 am to 1:00 pm
COST: \$250 - cash or cheque payable to CDSCL
WHERE: 849 Erickson Rd, Creston, BC

Please keep this page for your information and return pages 2, 3 and 4 to CDSCL.

Summer Camp is open to recreational riders and riders who participate in the therapeutic riding program. A maximum of 12 participants are split up into 3 groups of 4 for the daily activities. Age of participants generally range from 6 years old to 15 years old for recreational riders.

Daily activities include:

- one riding lesson
- two other horse related non-riding activities (spending time working with a horse while on the ground).

CDSCL supplies:

- ASTM-SEI certified riding helmets
- Riding boots are available in some sizes.
- Well trained, safe horses
- Canadian Therapeutic Riding Association Certified instructors.
- Water

The rider should bring the following:

- **Long pants for riding.** These can be jeans or riding pants. Shorts or capris aren't great for riding in as the legs are exposed to the saddle and the rider may develop rub sores.
- **Lunch and snacks.**
- A change of clothes (shorts and running shoes) for hot weather.

If you bring your own equipment:

- **Riding helmet:** Please make sure that it fits properly, has a chin strap and is ASTM/SEI certified. The ASTM/SEI helmets cover most of the back of the rider's head and also provides protection to specific areas of the head. Without this proper coverage, it does not pass certification. Bicycle helmets that are currently being sold only provide protection for the top of the head and are not permitted for riding horses.
- **Riding boots** can be an ankle boot or a tall boot, as long as they have a 1/2" heel and a smooth sole. Hiking boots are not recommended.
